

4th May 2022

Dear Year 11 Learner, Parent/Carer

STUDY LEAVE

As the exam season approaches, I would like to take this opportunity to formalise Year 11 dates for Study Leave. All lessons continue as normal until Friday 10 June. Where learners have sat the exam in a subject, they will be using that time for personal revision or for ensuring that technical coursework is completed to the required standard. A timetable of revision sessions will be built into the college day and it is expected that all learners will attend these sessions.

From Monday 16th May, learners will follow the KS5 timings which allows them time to have lunch before afternoon exams which start at 1pm. This means lessons and break times start as shown below:

Form time	P1	Break	P2	P3	Lunch	P4	P6
8:40	09:00	10:00	10:20	11:20	12:20	12:50	13:50

From Monday 13th June, learners can remain at home for personal study if they do not have an exam but should ensure that they attend the revision sessions that are on the timetable, for example, Geography revision on that day will take place from 12:50pm. Technical lessons (Engineering, Design Technology, Built Environment) will continue until, as stated above, coursework is completed to the required standard.

We will be holding the Year 11 End of Year assembly on Thursday 23rd June after the morning exam. Specific time to be confirmed by the Head of Year.

We would like to wish all our learners the very best over the next few weeks.

Yours sincerely

Gloria Gold

Vice Principal – Personal Development
