

4<sup>th</sup> May 2022

Dear Learner- Year 13, Parent/Carer

### STUDY LEAVE

As the exam season approaches, I would like to take this opportunity to formalise the Year 13 Study Leave dates. All lessons will continue as normal until Friday 27<sup>th</sup> May. Study leave will begin officially after the half term break on Monday 6<sup>th</sup> June. Subject teachers will however be available from the 6<sup>th</sup> June for revision sessions in their lesson time. Learners should make the most of this opportunity and attend these last-minute revision classes. For those learners in technical subjects (Engineering, Digital Media, and Built Environment) lessons continue as normal until all coursework is completed to the required standard. A signed document from teachers will be needed before study leave can be granted.

The Year 13 Leaver's assembly will take place on Thursday 24<sup>th</sup> May at 12pm, more details will follow.

Yours sincerely

Gloria Gold

Vice Principal – Personal Development
