

8th February 2023

Dear Parent / Carer

ENTRY ONTO UEL CAMPUS

During the pandemic, UEL very kindly allowed the college to say to parents / carers that they could drive their children through the campus to get to LDE UTC. Prior to this, learners were dropped off at either the SportsDock barrier or Cyprus Station.

We are now going back to our previous arrangement with UEL and from **Monday 20 February 2023** parents/carers will **not** be able to drive through onto the campus. Learners can still be dropped off at the SportsDock barrier or at Cyprus Station but then they will need to walk to the college.

If there is a reason for why your child needs to be driven to the college gates, please contact the relevant Head of Year in the first instance.

Yours sincerely

Gloria Gold

Vice Principal
