

DEAR PARENT/CARER,

The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here:

<https://london.schoolvaccination.uk/flu/2023/newham>

THE NASAL FLU VACCINE Protects your child from the flu. Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions). Is free Is painless, quick and effective.

We also offer the flu vaccine as an injection, which is gelatinefree. This may also be the vaccine of choice for vegans. Please go to our website where you can find out more about the manufacturing of the flu injection, and then decide if the injection is more suited to your child. THE IM F LU VACCIN

Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form. PLEASE NOTE the flu vaccine will NOT be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case we are not able to visit your child's schools for a second visit this year.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you MUST inform Vaccination UK rather than the school. You can also find informational videos on our YouTube channel, including subtitled versions for other languages. We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQ's, as well as details of our community catch up clinics. We also have some FAQ's enclosed below.

Yours Faithfully, Your Local Immunisation Team Vaccination UK
