

Monday 18<sup>th</sup> December 2024

Dear Parents/Carers of Sixth Form Learners,

With the approaching end of this term and the onset of the festive season, I would like to extend my warmest wishes to you and your families for a wonderful and safe break from all of us here at LDE UTC.

This academic year has been truly remarkable, witnessing your children's exceptional determination and resilience. The attendance throughout the sixth form has been commendable, and we eagerly anticipate your continued support in the upcoming terms.

To mark the culmination of this year, our celebration assemblies are scheduled for Thursday, December 21st, 2023:

- Year 12 dismissal: 11:50 AM
- Year 13 dismissal: 12:20 PM

I'm delighted to share that our Year 12 and 13 learners have collectively earned over £2500 in Amazon Vouchers for their outstanding contributions. These contributions include their participation in various activities such as aiding Open Evenings, maintaining perfect attendance, assisting peers, engaging in remarkable collaborations, partnering with employers, and exhibiting exceptional dedication to their studies.

**Please note that our learners will resume on-site classes in full college uniform on Monday, January 8th, 2024.**

Furthermore, specific Year 13 learners in Digital Media, Enterprise, Business Studies, Engineering, and Built Environment are scheduled to undertake their actual exams in January 2024 (refer to Table 1).

For the remaining subjects in Year 13, mock exams are summarized in Table 2.

Finally, Year 13 learners are encouraged to complete their UCAS application and submit.

Wishing you all a splendid end of the year and a joyful festive season ahead.

Many thanks,  
Kenan Drugzani

Vice Principal – Post 16
