

8th March 2023

Dear Parent / Carer / Learner

INDUSTRIAL ACTION – Wednesday 15th March and Thursday 16th March

Currently we are still expecting Industrial Action to take place next week on the days indicated above. This is a national day and therefore many schools across the country will be affected.

As per previous days, the college will be **open only** for **Year 11, Year 13, Year 12 (Level 2) and Year 12 Aviation** learners. Vulnerable learners (who will be invited in by their Head of Year) and learners whose parents are key workers will also be accommodated. If you are a key worker and want your child to attend, please email gloria.gold@ldeutc.co.uk directly. All learners in college should ensure that they have their devices with them and have them fully charged.

For remaining learners, lessons will take place online, using the devices that they have been issued. If they are having problems accessing Microsoft Teams with their devices, learners must see the IT team. Attendance to online lessons is monitored carefully and Heads of Year will make attendance calls should learners not be present.

Please note that the college is also closed for a planned Inset Day as per our college calendar on Monday 13th March.

We thank you for your support and cooperation at this time.

Yours sincerely

Geoffrey Fowler
CEO & Principal
