

10 December 2025

Dear Learner, Parent, or Carer,

Firstly, we hope this letter finds you all well and in great spirits.

As we approach the end of what has been an amazing calendar year, we would like to extend our thanks for your unreseved support and dedication to the college. Together, we have achieved so much, and we would like to share some of the highlights of the academic year so far:

- Welcoming and settling over 440 new learners (100 in Year 9 and 340 in Year 12).
- Maintaining attendance rates above the reported national average across all year groups.
- Successful completion of Year 11 mock exams.
- Celebrating **International Men's Day** with engaging activities.
- Honouring **Black History Month** through vibrant celebration activities.
- Participation in the **Electronics Skills Day Competitions**.
- Attending the **Jack Petchey Awards Ceremony**.
- Hosting **LEGO workshops** for primary schools.
- Visits and trips including Middlesex University, VNA sustainability, New Scientists Live, Morgan Sindall, London Built Expo, Power and Enrichment, Reds 10, Insights The Future Industries Hackathon and more.
- Supporting **Christmas Jumper Day**, raising funds for charitable causes.
- Learners have achieved over 47,000 conduct points – showing excellent attitude to learning.

Also, your children have had the opportunity to shine during the recent Ofsted visit, and we are excited to be able to share the news of outcomes with you in the new year.

As you can see, it has been a busy and positive start to the year. These successes would not have been possible without your support, and for that, we are grateful.

Please see below the end of term arrangements:
