

Dear Parent/Carer,

From Monday, 17th November 2025, our Year 11 learners will begin their mock examinations across their subjects. I want to take this opportunity to thank you for your ongoing support in preparing them for this important milestone. The learners have shown great commitment by attending interventions and revision sessions, which is highly commendable.

We understand this period can be stressful for some learners, so please encourage your child to reach out if they are feeling overwhelmed. Their Head of Year is the first point of contact, and our pastoral team, including our Wellbeing Lead, is available to offer additional support as needed.

What you need to know:

1. **Absence Notification:**

If your child is unable to attend college due to unforeseen circumstances, please inform us as soon as possible by emailing absence@ldeutc.co.uk as you would normally. While attendance is vital during this period too, we understand that unexpected situations may arise. Please don't hesitate to seek advice or guidance if needed.

2. **Wellbeing Concerns:**

If your child is experiencing stress or anxiety, please let us know so we can provide appropriate support.

3. **Preparation:**

Remind your child to come to college fully prepared with the necessary equipment, including pens, pencils, calculators, etc.

4. **Exam Timings:**

Most exams (excluding Art) will start at **8:50 AM** for morning sessions and **1:10 PM** for afternoon sessions. Please refer to the attached timetable for further details.

Finally, I wish all our Year 11 learners the very best over the next two weeks of mock examinations. With their hard work and dedication, I'm confident they will do well. **Good luck to them all!**

Many thanks,
Kenan Drugzani

Head of School at LDE UTC

Year 11 Mocks November 2025
