

Dear Learner,

Results – Summer 2026

Firstly, congratulations on reaching the end of another important stage in your education. We recognise the hard work, commitment and perseverance that you have shown throughout the year, and we are proud of everything you have achieved.

Results Day is an important milestone and an opportunity to celebrate your achievements, reflect on your progress and plan for the next stage of your journey. Whether you are progressing to LDE UT6^{Form}, or exploring other pathways, our staff will be available throughout the day to provide advice, guidance and support.

Please read the information below carefully, as it contains important details about collecting your results, enrolling for September 2026, and the procedures for reviews of marking, appeals and resits.

Collection of Summer 2026 Results

Your results will be issued on:

Thursday 20th August 2026 – GCSE and Level 2 Qualifications

Results will be available for collection from **8:15am** in the Main Hall.

Please note that results will **only** be issued directly to individual learners and not to parents, relatives or friends.

To collect your results, you will need to:

- Bring your college ID badge as proof of identity.
- Sign for your results to confirm receipt.

If you would like someone else to collect your results on your behalf, you must complete this [Authorisation Form](#) by Monday 17th August to help us make the necessary arrangements.

Results will also be sent to your LDE UTC email account from **9:00am** on the same day.

Enrolment for LDE UT6^{Form}

From **8:45am**, staff will be available to discuss your results, confirm your subject choices and complete your enrolment for September 2026.

If you wish to enrol at **LDE UT6 Form**, you **must attend in person**. This enables us to provide personalised guidance and ensure that you are enrolled onto the most appropriate programme of study.

If you are away on holiday and unable to attend, please email admissions@ldeutc.co.uk with your full name and WhatsApp number so that a member of the admissions team can contact you directly to complete your enrolment arrangements.

Appeal of Results – Summer 2026

The College can challenge a grade on your behalf by requesting that the awarding organisation reviews the marking of the examination. The grade may be changed by the exam board if they find any mistakes. This grade can go up or down. If you wish to challenge your grade, please email exams@ldeutc.co.uk

If you still think there's a mistake, you can ask the college to appeal the result. The exam board will then look at your work again and decide if your mark or grade needs correcting.

If you think the exam board did not handle your appeal properly, you can request a review from Ofqual. Ofqual cannot carry out a review unless the exam board has completed the appeal process and given you a decision. Ofqual will tell you if your review is going ahead and will keep you updated. If your review is rejected, Ofqual will tell you why.

Remark Fees

If you are within one mark of achieving the next grade boundary in your original exam, LDE UTC will cover the full cost of your remark fee. Your teacher will be in contact with you to ask if you are happy to do this on your behalf.

You must reply to them, copying in exams@ldeutc.co.uk before we can process this for you.

If you are not within this one-mark range, and still wish to challenge your grade, you will be required to pay for your own remark; however, if you are successful in the remark and achieve a higher grade, LDE will reimburse the fee in full. Payment must be made via parentpay before we can process your request.

Where a curriculum lead considers that the learner should have achieved a higher grade, but they are more than one mark away from the grade boundary, the curriculum lead may make a case requesting the college to fund the remark.

Resit Fees

If you wish to resit an exam in the summer of 2027, you will be required to pay for your own resit; however, if you are successful in the resit and achieve a higher grade, LDE will reimburse the fee in full. Please email exams@ldeutc.co.uk, confirming which examination(s) you wish to be re-entered for. A member of the Exams Team will then contact you with further information and the next steps.. We will begin the process of exam entries in January 2027.

Learners who are eligible for Free School Meals may contact the College to request financial support towards resit fees.

Kind regards,

The Exams Team
