

## **Subject: Year 13 Parents/Carers and Learners - Thank You and Important Updates**

Dear Year 13 Learners and Parents/Carers,

I hope you are well. As we reach the end of the mock examination period, I want to extend a heartfelt well done to all learners. Whether you sat formal mock exams or focused on coursework, portfolio units, and ongoing assessments, your effort, resilience, and commitment over the past few weeks have been truly impressive. We recognise how hard you have been working, and we are extremely proud of you.

### **Reports**

Next week, we will be emailing reports for Year 13. These will include updated attitude to learning and progress grades. Learners who completed mock examinations will also receive a mock grade within this report. We hope these updates will help you reflect on your successes and identify any areas where further support may be helpful.

### **Parents' Evening – Online**

Our Year 13 Parents' Evening will take place online next Thursday. I would like to encourage all parents and carers to book appointments with subject teachers. This is especially important where a learner's progress is currently below expected, or where the attitude to learning is not at least 'good.' These conversations are a valuable opportunity to discuss how best to support learners in the months ahead.

### **Mock Exam Retakes**

A small number of learners did not meet the required minimum grade D in their mock examinations and will therefore be asked to retake their assessment on 9th or 10th March. Families affected by this will receive a separate email next week with more detailed information.

We have also arranged targeted revision sessions over the February half-term, and any learner required to retake their mock should plan to attend these to help build confidence and improve outcomes.

Once again, thank you to all our Year 13 learners for your continued determination, positivity, and dedication. We genuinely appreciate the support provided at home—it makes an enormous difference to learners' progress and wellbeing.

If you have any questions, please feel free to get in touch either with myself, teaching staff, or Sian as Head of Year 13.

Kind regards,

Mrs Victoria Webb  
Head of LDE UT6<sup>Form</sup>
