

Dear Parents/Carers,

I would like to take this opportunity to thank you all for your ongoing support this academic year. We have had a fantastic start.

Please note the following arrangements for the coming up weeks:

- **End of Term:** All learners will finish this term on **Friday 23rd October 2026**.
- **Flipped Learning Week:** From **Monday 2nd to Friday 6th November 2026**, learners will take part in Flipped Learning Week as scheduled in our school calendar.
- During the Flipped Learning Week, **learners will work from home unless required on site for intervention (see schedule below)**.
- **Half Term:** Learners will be on **half-term break from Monday 26th to Friday 30th of October 2026**.

Flipped learning is a model in which learners engage with lesson content at home before attending class. This approach encourages independent learning and self-management. During this week, learners will work remotely on assignments such as project work, research activities, past paper questions, podcasts, videos, quizzes, and reading tasks.

Some learners, particularly those in critical exam years such as **Year 11 and 13**, may be invited into college for targeted interventions and additional support. There are Year 10s who are invited on this occasion. See the intervention timetable at the bottom of this letter. If your child is staying for both am and pm sessions please ensure they bring lunch with them as the canteen will not be open.

All set work will be available at the start of the week, allowing learners to organise their time flexibly — they may choose to complete tasks during the day or in the evening. However, **all completed work must be submitted by Friday 7:00 p.m.**

Teachers will be available throughout the week via email to provide guidance and respond to any questions.

**Finally, all learners are expected to return to college in full uniform on
Monday 9th November 2026.**

Thank you for your continued support as we work together to provide the best possible education for our learners.

Best regards,

Kenan Drugzani

A handwritten signature in black ink, appearing to read 'Kenan Drugzani', with a stylized flourish at the end.
