

### **Jonny Morgan – Head of Year 13 & Deputy Safeguarding Lead**

Jonny joined us in September 2019 having worked in pastoral & behavioural roles in a number of schools across London. He has a number of years experience as a Head of Year, whilst also delivering physical and outdoor education. He studied Sport Development, Biomechanics and Strength & Conditioning.

Jonny previously served as a Military Medic, helping others on humanitarian missions globally. He was also an international athlete competing in the sport of bobsleigh for Team GB and for Norway and later went on to coach at the top level.

Jonny genuinely loves to help others and currently his professional interest is character education, developing peer mentoring and outdoor interventions aimed at motivating and inspiring personal development. Linked to this he has started the Duke of Edinburgh Award and a rowing club at LDE UTC and is now working on other character education based ideas.
