

London Design & Engineering UTC

Careers Policy

Prepared by	Gloria Gold, Vice-Principal – Personal Development
Acknowledgements	Janice Tricks, Careers Lead, LDE UTC
Date Approved	24 September 2020
Policy Approved by	Board of Directors
Version	1.0
Next Policy Review Date	September 2021

Version Control Table

Version	Date	Amended by	Rationale
0.1	01/09/2020	Gloria Gold	First draft of new policy.
0.2	11/09/2020	Janice Tricks	Monitoring and evaluation section updated to include Compass+
1.0	24/09/2020		Version approved by the Board of Directors

Guidance on version Control:

The above is an example of how to complete the Version control table.

Versions are 0.1, 0.2 etc until such point as the document is approved. Then it becomes version 1.0.

Subsequent edited versions become 1.1, 1.2, or if it's a major update, 2.0. Do not worry about the numbers going up and up its about getting the policy right – it's all fine.

1. Policy Aims

London Design and Engineering UTC offers high quality advice and guidance through its careers programme that prepares all its learners for further study and / or employment. Independent information and guidance are seen as being key alongside a range of opportunities. The College prides itself in the partnership work it carries out with learners / parents / industry partners to support learners with their future aspirations which is evidenced by the range of destinations they move into within a wide range of universities and employers.

Aims and Purpose

- Prepare learners for the transition post 16 and post 18 into the world of higher education or the world of work.
- Ensure learners and parents / carers are equipped with the information required to make informed decisions.
- Provide learners with a range of opportunities to develop the skills employers are looking for to support their next steps e.g. communication, teamwork, innovation, problem solving and resilience.
- Provide learners with a range of opportunities to participate to develop practical and technical skills required within industry and the workplace.

2. Statutory Requirements and Recommendations

The careers provision at London Design and Engineering UTC is in line with the statutory guidance developed by the Department for Education, which refers to Section 42A and 45A of the Education Act 1997. This states that all schools/colleges should provide independent careers guidance from Years 8 -13 and that this guidance should:

- be impartial
- include information on a range of pathways, including university options or apprenticeships
- be adapted to the needs of the learner

In addition, the College is compliant with the careers guidance that the government set out for delivery from 5 January 2018: *'Careers Guidance and Inspiration for young people in schools.'* This states that all academies must give education and training providers the opportunity to talk to their learners about:

- Approved technical qualifications and apprenticeships. Further information relating to this is set out later in this document, under Provider Access.
- Ensuring that our young people have a good understanding about career choices and the progression routes required.
- Ensuring that our learners are aware of the opportunities available within non-stereotypical roles by ensuring they meet with a wide variety of employees within different sectors.
- Understanding how the content of curriculum subjects lends itself within different careers.

3. Careers Provision

- All learners have access to extra-curricular societies, projects to develop their understanding in a range of areas away from their timetabled curriculum.

- Learners in Year 11 and 13 will undergo a 1:1 independent careers interview.
- Learning for Life (L4L) sessions each week which form a part of our PSHE deliverance includes information relevant to the year group on careers and progression.
- Participation in the SkillsBuilder programme during tutor time, which will explore the soft skills required by employers
- Learners will have access to Industry mentoring once per term which will follow a structured objective for each year group
- All year groups will participate in the Industry Mentoring programme
- Years 9-11 will participate in UEL mentoring. For Year 12 this will be an optional process.
- Participate in a range of talks designed to inspire and motivate learners on a range of career and university opportunities.
- Have access to the LDE Annual Careers Fair
- Have access to drop-in sessions with the careers lead found at the ACE Dock.
- Receive information on post-16 and post-18 options
- Have access to the careers area of the College website to explore information and opportunities. External opportunities are advertised via the LDE UTC Opportunities Padlet and directly by email to learners of the relevant year group.

4. Learners with Special Educational Needs or Disabilities (SEND)

Transition from one key stage to another is part of the action plan for a learner with SEND

- Personalised support from the SENCO along with the careers lead and external organisations as appropriate.
- Liaison with services within London Borough of Newham e.g. Scope, Newham College, Newham Workplace

5. Learners in Receipt of Pupil Premium Funding

Personalised support will be given to these learners who will receive extra targeted advice in Year 10 and following their Year 11 one-to-one independent interview.

6. Careers Lead

The Careers Lead at the LDE UTC is **Janice Tricks**, who can be contacted on 0203 019 7333, or via email at janice.tricks@ldeutc.co.uk

There is an independent careers advisor who works alongside the Careers Lead. The Careers Lead will work with the independent advisor, the Careers and Enterprise Company (CEC) co-ordinator and the CEC advisors to review and develop the LDE careers programme.

7. Key Stage 3

- The pastoral curriculum in Year 9 covers working with others, communication in the workplace, future plans, what employers are looking for in an employee. This is

alongside the tutor programme where learners will work on the SkillsBuilder programme.

- The options carousel is designed to support learners with their subject option into Year 10.
- Learners will have the opportunity to participate in the Baker Award, D of E award, extra-curricular societies etc.
- Learners will participate in a Speed Networking event

8. Key Stage 4

- The pastoral curriculum in Year 10 and 11 covers key career pathway skills, options Post 16, employability, skills required by employers etc.
- Learners in Year 10 will undergo a Job Shadowing Day
- Learners will have the opportunity to participate in a Speed Networking event
- Learners in Year 11 will have a one-to-one careers discussion with an independent advisor to discuss their options for Year 12. This will be ongoing with the Careers Lead throughout the year to ensure all learners have an offer within the LDE UTC, other colleges or into an apprenticeship or training.

9. Key Stage 5

There is a wide range of activities to support our learners in Year 12 and 13 which blends across both year groups.

- The pastoral curriculum for Key Stage 5 (KS5) covers information on Apprenticeships, preparing Personal Statements and CVs, soft skills required by employers etc.
- Higher Education sessions. Learners are encouraged to visit university open days, join masterclasses, attend taster days and undertake experiences to enhance their profile.
- Year 12 work experience placements are to be undertaken at the end of the Year 12 academic year and learners are encouraged to source placements that are meaningful and will add value to their applications for university or apprenticeships. This is to replicate experiences that they cannot have in college and to develop their employability skills. Placements will be checked for Health and Safety, and insurance documents will be checked. Learners are expected to give feedback on their placement to evidence that the opportunity supports their next steps.
- Employer engagement and interaction through presentations and assemblies.
- Year 12 one-year learners will have a one-to-one session with an independent careers advisor to support their choices. This will be followed up by the Careers Lead with targeted sessions and support.
- Year 13 Learners will have a one-to-one session with an independent careers advisor to support their choices following their level 3 studies. The Careers Lead will offer ongoing support and guidance targeted to individual needs.
- Support with UCAS applications
- CV writing, interview preparation practice workshops.

- Opportunity to participate in projects and society programmes.
- Attend careers fairs and have access to multiple opportunities for self-development.
- Receive notifications of apprenticeships via emails and the Opportunities Padlet to support their own research.

10. Alumni

We celebrate the destinations of LDE leavers and use their success as a platform to raise aspirations via display boards and the sharing of relevant information on our website.

11. Monitoring and Evaluation

All activities will be evaluated by the member of staff responsible for the event by surveys, focus groups and feedback from learner voice and employers/organisations. The Careers Lead will work alongside the independent careers advisor, Careers and Enterprise co-ordinator and advisors to evaluate the impact of events and activities undertaken at LDE UTC and for review of the careers programme.

Compass+ has now been installed, which is a programme developed by the Careers and Enterprise Company to capture careers delivery across the College and covers small group activities to whole College events. This programme will be used to evaluate and review what has been delivered against benchmarks. From this we will identify and adjust the careers programme for each year group and the College, to ensure it is meeting the 8 Gatsby Benchmarks or working towards 100% for each of them.

The careers provision will also be regularly monitored with regards the COVID-19 pandemic and may be adjusted as necessary depending on Government guidelines, controls and restrictions in relation to controlling the spread and impact of the virus.

12. Destinations

Data will be collected at the end of the academic year for Years 11, 12 (1-year programme) and 13. This information is collected on UTC Hub and will be used as a focus for our annual careers programme review. Year 13 destinations will be displayed on our website and on the display board in the ACE area.
