

London Design & Engineering UTC

LDE UTC Societies

We are really pleased to present the 2021/22 societies.

Being part of a society demonstrates learners' commitment to other activities outside of their studies which can be used to their advantage when it comes to applying to universities or employment. For example, memorable moments from your time at the club can make great discussion points in your interview.

We also believe that some learners and staff have not had the opportunity to explore and develop their interests during the past two years whilst the Covid-19 pandemic has placed many restrictions on what we used to take for granted in everyday life. These societies will provide a broad and balanced range of activities that will both be fun and engaging whilst also providing a wider set of knowledge and skills that will benefit us all.

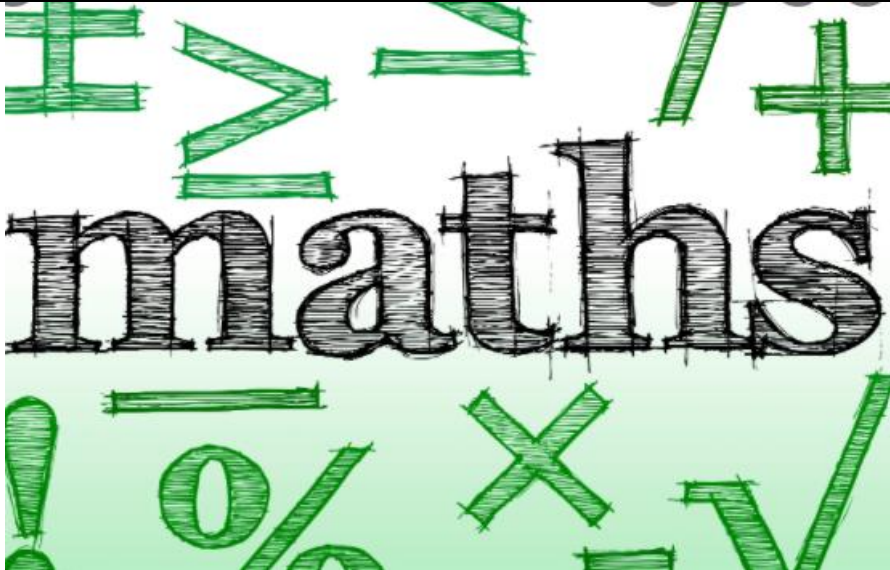

Societies are optional and we would encourage all learners to take up these exciting opportunities.

Please read through the societies below and then when you have chosen which ones you would like to join, click on the link on the LDE UTC societies webpage to sign up.

Societies

It's Debatable	3
English GCSE Club.....	4
Yr 9 & 10 Mathematics Study Group	5
KS5 Mathematics Study Group	6
Yr 11 Foundation Maths	7
Yr 11 Higher Maths	8
Rising Stars	9
KS5 Economics Support	10
Local Cinema Group with Applied science.....	11
High Fliers.....	12
Warhammer 40k	13
Street Photography Society	14
LDE UTC Greenpower Racing and BSC Karting	15
Food and Nutrition.....	16
Drama.....	17
Tinker Studios	18
Year 11 Art Society.....	19
Art Society.....	20
Graffiti Drawing.....	21
Manga Drawing.....	22
Duke of Edinburgh Award	23
LEGO Play lab	24
NXT Robotics Club.....	25
Computer Science Club	26
Advance Wood Working	27
Prop Design	28
EPQ / Higher Catch up.....	29
LDE Motorsports Team	30
Robotics	31
Here for All	32
Accelerate- Citizens UK	33
Knit and Natter.....	34
Rowing Club	35
Fantastic Beasts and How to Make Them.....	36
Virtual Reality Studios.....	37
Morning Running Club	38

Society Name:	It's Debatable	Type of Society	Academic.	x
			Skills & knowledge	
			Wellbeing	
<p>Description about what the society does:</p> <p>The society will give learners of all abilities a fun way of developing their oracy skills. It will empower LDE learners' skills of expressing their beliefs clearly and concisely, public speaking and effective communication in a formal setting, and staying aware of current events in the world.</p>				
<p>Details of suggested trips:</p> <p>House of Parliament Debate competition with other schools Attend TED talks BBC question time</p>				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Oracy ○ Literacy ○ British Values 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Effective Communication ○ Critical thinking ○ Creativity ○ Confidence ○ Leadership ○ Research and organisation 		
<p>Society identity:</p> <p>Pin Badge</p>				
Suitable for:	All learners and all staff			
No. of members	Maximum of 15			
When:	Wednesdays from 15:00-17:00			
Where:	In Room 3.26

Cost:	This society is free			
Staff Lead:	Parisa Hakimi – Maths Teacher			

Society Name:	Local Cinema Group with Applied science	Type of Society	Academic	
			Skills & knowledge	x
			Wellbeing	

Description about what the society does:

In this modern age of fiction, we see a cool application of science within the media. Do you have a passion for anything sci-fi and want to get a bit more hands on with the science we see? Ever come out of a movie and you just want to discuss about it? Maybe you saw something interesting and you wanted to investigate further? Marvel shows got you pondering about space-time? Free guy or still trapped? Could you ever be a Martian? Maybe you're still unsure of the plot of inception? Real Steel fan? Let's make some basic robots. Could you make catapults better than Sauron's army? Can you best Davy Jones and make a boat faster than the Flying Dutchman? Ever seen a real-life fire bender? Home alone? Make a Rube Goldberg machine. Think you can make a Tower higher than The Pearl? How? Or maybe you just want a feel of a good old American science fair and make some volcanoes? Every week we will pick a theme, analyse the science, plan an investigation and have the opportunity to debate and/or deliver some interesting projects

Details of suggested trips:

British Science Museum; Theatre; Cinema; Warner Bros Studios; IMAX cinema: BBC studios

Key Concepts

- Movie Review
- Practical Investigations
- Oracy
- Wellbeing activity

Skills and knowledge gained

- Team building
- Science capital
- Critical thinking
- Investigative Skills
- Persuasive Language
- Confidence building

Society identity: Personalised Handshakes

Suitable for:	Years 9, 10, 11 12 and 13
No. of members	Maximum of 15
When	Thursdays 15:00-16:00
Where:	In Room 2.27
Equipment:	Equipment will be provided
Cost:	This society is free
Staff Lead:	Mohamed Omar – Science Teacher

Society Name:	High Fliers	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

HIGH FLIERS

Description about what the society does:

We will be working on the skills and knowledge required at in science at KS4 to support your GCSEs with a focus on careers in aerospace. This will be useful for anyone interested in improving their grades in the sciences at GCSE and those potentially interested in Aerospace and the IASTI courses we offer at LDE UTC in piloting, engineering and ground operations. We will look at the science behind flight and propulsion and rocketry using practical demonstrations, physical and virtual modelling and experiments. We will assign year 13 science mentors to support your work in small groups. We will get industry experts and the IASTI course leads to come and deliver masterclasses.

Details of suggested trips:

City Airport

Key Concepts

- Engineering
- Aerospace
- Chemistry
- Physics
- Biology

Skills and knowledge gained

- Science GCSE consolidation
- Principles of flight
- Mechanics
- Propulsion and rocketry
- Use of Physical formulae
- Modelling and practical work

Society identity:

Suitable for: Years 10 and 11

No. of members: Maximum of 26

When: Wednesdays from 15:00-17:00

Where: In Room 2.23

Equipment: Please bring a pen, pencils and calculator with you

Cost: This society is free

Staff Lead: Adam Masheter – Curriculum Lead for Science, & Kenan Drugzani – Science Teacher

Society Name:	Warhammer 40k	Type of Society	Academic	
			Skills & Knowledge.	X
			Wellbeing	

Description about what the society does:

Warhammer 40,000 is set in the far future of our galaxy, in a distant time where Humanity must battle for survival against untold horrors. Aliens, monsters and traitors constantly seek to destroy Mankind, and only through the courage and strength of their armies can Humanity hope to survive.

In the club you will build and paint miniature figures to play the game, develop tactics and learn about the Warhammer 40k world.

Details of suggested trips: Visit Games workshop

Key Concepts

- Literacy
- Numeracy

Skills and knowledge gained

- Figure painting
- Model building

Society identity:

Suitable for:	Years 9 to 13
No. of members	Maximum of 8
When	Thursdays from 15:00 – 16:00
Where	In Room 1.30
Equipment:	Please bring painting overalls with you
Cost:	This society is free
Staff Lead:	Alan Soong – Computing Teacher

Society Name:	Street Photography Society	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

Description about what the society does:

This society provides learners the skills of using the camera and learn the fundamental rules of taking beautiful street images:

- Learners will demonstrate artistic skills, learn photography techniques and knowledge of the camera's setting
- To improve learners' aesthetics and to see the world differently by understanding the language of light and the element of composition.
- Learners will be taught digital imaging tips and skills to enhance their images
- To spark learner's interest in photography and cultivate a lifelong hobby

Details of suggested trips:

- Tate Modern
- The VA photography Gallery
- London Photography Gallery

Key Concepts

- Numeracy
- Oracy
- L4L

Skills and knowledge gained

- Critical thinking/Storytelling
- Creativity
- Technical expertise

Society identity: T-shirt and Bandana

Suitable for:	Years 9 to 12
No. of members	Maximum of 3 per group
When	Wednesdays and Thursdays from 16:00 – 17:00
Where	In room 3.31
Equipment:	Equipment will be provided
Cost:	This society is free
Staff Lead:	Andrew Tan – Design Teacher

Society Name:	LDE UTC Greenpower Racing and BSC Karting	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	
				
<p>Description about what the society does:</p> <p>Learners will learn how to design, build and race electric race cars. The learners will have an opportunity to complete at national and international race including Goodwood, Dunsfold park and Castle coombe. The learners will need to work together to maintain the cars and repair them during the races.</p> <p>Learners will learn how to maintain, driving skills and teamwork skills to work together in order to win their heat within the karting races. The learners will compete at regional level in order to gain a space in the national final race.</p> <p>Learners will have to opportunity to visit a Formula 1 team and learn about engineering careers and opportunity</p>				
<p>Details of suggested trips:</p> <ul style="list-style-type: none"> ○ 3 x practice go karting at Brentwood karting ○ Racing at the regional karting tracks ○ Racing the Greenpower cars at Dunsfold Park, Castle Coombe and Goodwood ○ Trip to one of the Formula 1 racing team (TBI) 				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Learning for life ○ Numeracy ○ Oracy 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Team building ○ Knowledge of maintaining go karts ○ Driving skills ○ Knowledge of the regulations and laws ○ Presentation skills and mentoring 		
Society identity: Racing overalls, pin badge				
Suitable for:	All learners and all staff			
No. of members	Maximum of 15			
When	Thursdays from 16:00-17:00			
Where	In room G.01			
Equipment	Please bring overalls, gloves and helmets (if you have them)			
Cost:	TBC			
Staff Lead:	Famida Noor Mahomed – Engineering Teacher			

Society Name:	Food and Nutrition	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	
 <p style="text-align: right;">Photo</p>				
<p>Description about what the society does: The society will give learners a fun way to understand the fundamentals of food and baking. For example, making bread, donuts, cakes etc. This course has been developed to provide learners with knowledge and skills necessary to produce quality baked goods. This is a course designed to teach basic baking skills such as measuring scales, use of various baking equipment's and understanding the importance of nutrition.</p>				
<p>Details of suggested trips: Borough market Camden market Donut time</p>				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Baking ○ Hygiene ○ Baking equipment ○ Food 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Baking quality goods ○ Creativity ○ Start a potential business from baking ○ Identify various baking equipment's ○ Understand the importance of nutrition 		
<p>Society identity: Cupcake badge</p>				
Suitable for:	All learners			
No. of members	Maximum of 10			
When	Mondays from 15:00 – 16:00			
Where:	In Rooms 2.34 and Kitchen			
Equipment:	Equipment will be provided			
Cost:	This society is free			
Staff Lead:	Rayeeda Sabur – Science Teacher			

Society Name:	Drama	Type of Society	Academic	
			Skills & Knowledge.	X
			Wellbeing	
				
<p>Description about what the society does:</p> <p>Allows learners to express themselves through various drama activities, the aim will be to build confidence and allow members to express themselves, this will be through role play, monologues, spoken word. Working in teams to write scripts, which will encourage creativity, team building, self-expression. If it all goes well it would be fantastic to perform a show at the end of the year where we can invite all stakeholders.</p>				
<p>Details of suggested trips:</p> <p>Spoken word events Theatre plays – Hamilton or other The Globe</p>				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Bring different year groups together. ○ Help to stimulate creativity and expression ○ Learners ○ Bringing out skills such as public speaking, singing, poetry writing. ○ Great for wellbeing. 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Personal confidence ○ Team building ○ Inter year group relationships ○ Interaction with others/strangers developing soft skills ○ Public speaking with confidence ○ Script writing and developing ideas 		
<p>Society identity: A place where creativity can develop.</p>				
Suitable for:	All learners and all staff			
No. of members	Maximum of 16			
When	Thursdays from 15:00-17:00			
Where:	Main Lecture Hall			
Equipment:	Equipment will be provided			
Cost:	This society is free – dependent upon the show, some theatre tickets will require payment			
Staff Lead:	Gill Lois – P.A. to Vice Principal Gloria Gold			

Society Name:	Tinker Studios	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

Description about what the society does:
 Use the workshop facilities to design, make and create various projects from lighting design to robotics.

www.tinkerstudios.co.uk
www.instagram.com/TinkerStudios

Details of suggested trips:

Key Concepts <ul style="list-style-type: none"> ○ Ideate ○ Design Process ○ Manufacture 	Skills and knowledge gained <ul style="list-style-type: none"> ○ CAD ○ Hand skills ○ Craft ○ Machine ○ Programme
---	--

Society identity:	
Suitable for:	All learners and all staff
No. of members	Maximum of 7
When	Thursdays from 15:00-16:00 and 16:00-17:00
Where	In Room G.23
Equipment	Please bring laptop, pencils and a sketchpad with you.
Cost:	This society is free
Staff Lead:	Heman Amin – Engineering Teacher

Society Name:	Year 11 Art Society	Type of Society	Academic	
			Skills & knowledge.	x
			Wellbeing	

Description about what the society does:

The Art Society will give Yr11 learners the opportunity to create their own original artworks using a variety of different techniques. The society will be a place for the learners to lead the creative process, and to work on their Art Portfolio, with me providing technical, conceptual, and contextual support as well as feedback.

The Society is mainly aimed at Learners who study Art & Design but will welcome additional Yr11 Learners.

Details of suggested trips:

- Public Art galleries: Tate modern, Tate Britain, National Gallery...
- Commercial Gallery tours: East End art galleries, Mayfair art galleries...
- Artist's studio visits

Key Concepts

- Fine Art
- Art History
- Criticality

Skills and knowledge gained

- Art Skills (drawing, painting, digital art...)
- Independence
- Criticality and evaluation skills (both assessing their own work and giving feedback to peers)
- Time management skills.

Society identity:

Pin badge

Suitable for:	Year 11
No. of members	Maximum of 15
When	Mondays from 15:00 – 16:00
Where	In Room 3.37
Equipment:	Equipment will be provided
Cost:	This society is free
Staff Lead:	Ishai Rimmer – Art Teacher

Society Name:	Art Society	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	
				
<p>Description about what the society does: The Art Society will give learners the opportunity to create their own original artworks using a variety of different techniques. The society will be a place for the learners to lead the creative process, using their own ideas and interests as a starting point, with me providing technical, conceptual, and contextual support as well as feedback. In addition, the learners will support each other with presentation, peer feedback and collaboration.</p>				
<p>Details of suggested trips:</p> <ul style="list-style-type: none"> ○ Public Art galleries: Tate modern, Tate Britain, National Gallery... ○ Commercial Gallery tours: East End art galleries, Mayfair art galleries... ○ Artist's studio visits 				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Fine Art ○ Art History ○ Criticality 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Art Skills (drawing, painting, digital art...) ○ Independence (learners led projects) ○ Criticality and evaluation skills (both assessing their own work and giving feedback to peers) ○ Presentation skills 		
<p>Society identity: Pin badge</p>				
Suitable for	All learners and all staff			
No of members	Maximum of 15			
When	Wednesdays and Thursdays from 16:00-17:00			
Where:	In Room 3.37			
Equipment:	Equipment will be provided			
Cost:	This society is free			
Staff Lead:	Ishai Rimmer – Art Teacher			

Society Name:	Graffiti Drawing	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

Description about what the society does:

The 'Graffiti Drawing Society' aims to develop stylised graffiti fonts, drawn in any chosen style. Working in pencil first, then moving onto fine-liner pens, developing highly detail, interesting Graffiti styles.

Details of suggested trips:

Visit graffiti/street art in Hoxton, Shoreditch.

Key Concepts

- Typography
- Creative drawing skills
- Pencil/pen technical skills

Skills and knowledge gained

- Observation drawing skills
- Drawing fonts (expressive fonts)
- Shading and line skills
- Improving pencil/pen technical skills

Society identity:

Suitable for:	All learners and staff
No. of members	Maximum of 12
When	Thursdays from 08:00-09:00
Where:	In Room 1.29
Equipment:	Books, pencils and pen provided
Cost:	This society is free
Staff Lead:	Robert Fulton – Graphics Teacher

Society Name:	Manga Drawing	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

Description about what the society does:

The 'Manga Drawing Society' aims to develop your ability to create characters in any chosen style. Working in pencil and finally in pen (fine-liner) drawing highly detail, interesting characters.

Details of suggested trips:

Visit graffiti/street art in Hoxton, Shoreditch.

Key Concepts

- Observational drawing skills
- Creative drawing skills
- Pencil/pen technical skills

Skills and knowledge gained

- Develop observation drawing skills
- Drawing facial features and expression
- Developing characters
- Improving pencil/pen technical skills

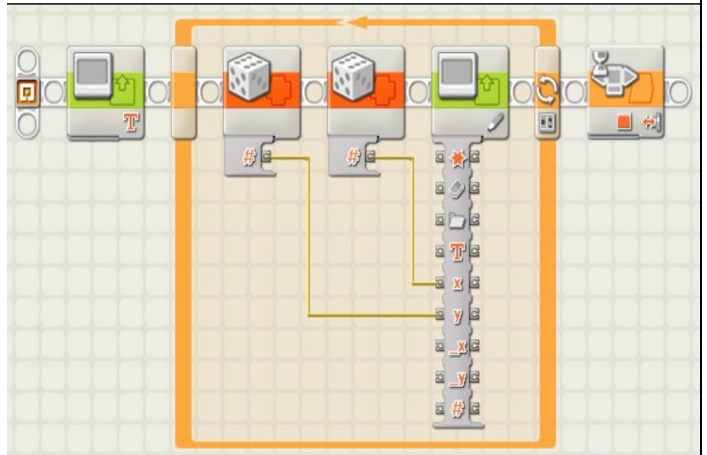

Society identity:

Suitable for	All learners and all staff
No. of members	Maximum of 12
When	Mondays from 16:00-17:00
Where:	In Room G.01
Equipment:	Equipment will be provided.
Cost:	This society is free
Staff Lead:	Robert Fulton – Graphics Teacher

Society Name:	Duke of Edinburgh Award	Type of Society	Academic	
			Skills and knowledge.	x
			Wellbeing	
				
<p>The Duke of Edinburgh (DofE) Award is a life-changing experience. A fun time with friends and an opportunity to discover new interests and talents. The DofE Award Society at LDE UTC aims to enable learners to achieve the Bronze award through Volunteering, Skills, Physical section and then an Outdoor expedition. Learners will gain confidence and an edge over others when they apply to University, an apprenticeship, as it is a recognised and respected mark of achievement. Learners will develop communication, leadership and teamwork skills as well making a difference to other people's lives and their community.</p>				
<p>A Bronze award Expedition is planned for Easter 2022</p>				
Key Concepts <ul style="list-style-type: none"> ○ Volunteering ○ Skills ○ Physical ○ Expedition 		Skills and knowledge gained <ul style="list-style-type: none"> ○ Teamwork ○ Leadership ○ Communication ○ Resilience ○ Management ○ Planning 		
<p>Society identity: LDE UTC DofE</p>				
Suitable for:	Year 9			
No. of members	45 learners in Year 9 in the 1 st Cohort from September 2021 to March 2022			
When	Mondays from 15:00-17:00			
Where:	In Room 1.21			
Equipment:	Expedition equipment may be needed			
Cost:	£23 participation fee			
Staff Lead:	Jonny Morgan – Head of year 12			

Society Name:	LEGO Play lab	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	
				
<p>Description about what the society does: Our LEGO Play lab (our Society) is one of our 4 'labs' as part of our LEGO Lab programme here at LDEUTC. We have 4 labs as part of this new programme. LEGO Play is all about coming along to play! Create, Experiment, Prototype, Play and have fun! You can try out our Mindstorms EV3 or WeDo robotics or just build a big treehouse or a settlement on Mars! You can do free play or use the LEGO to do a class project, etc. Whatever you want to do, our LEGO Ambassadors will be around to support.</p>				
<p>Details of suggested trips: We often get asked to represent LDE at the Bett show or other events, but this is also part of the Lab programme (feel free to ask questions as this will also soon be advertised).</p>				
Key Concepts		Skills and knowledge gained		
<ul style="list-style-type: none"> ○ Explore robotics ○ Apply your interests and experiment ○ Create something for fun or for your learning, or a project 		<ul style="list-style-type: none"> ○ Problem Solving ○ Creativity ○ Team spirit ○ Organisation & Responsibility ○ Design thinking 		
Society identity:				
Suitable for:	All learners and all staff			
No. of members	Maximum of 15			
When	Fridays from 13:30- 15:30			
Where	In the ground Floor Atrium			
Equipment	Equipment will be provided			
Cost	This society is free			
Staff Lead:	Shafina Vohra – Lego Lead and Psychology Teacher			

Society Name:	NXT Robotics Club	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	

Description about what the society does:

This society provides learners with hands on experience building a simple programmable robot.

- Learners will demonstrate and apply multitude of skills and knowledge from many subject areas.
- To familiarize learners with the design process- from brainstorming, initial design, prototyping, testing, revising, to final production and competition.
- To allow learners to experience the perilous designer/builder interface.
- To spark learner's interest in Science and Technology.

Details of suggested trips:

- Tech fairs
- EEP Robotics Challenge
- BETT show
- Design museum

Key Concepts

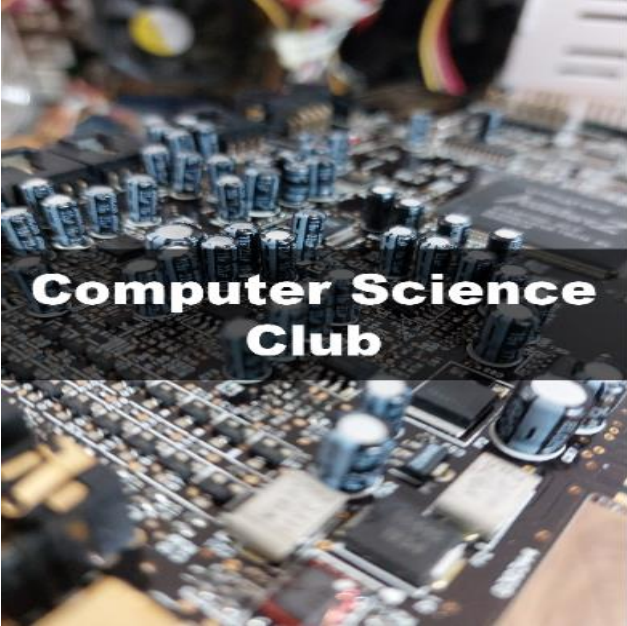

- Numeracy
- British values

Skills and knowledge gained

- Critical thinking
- Creativity
- Research and organization
- Team building

Society identity: Pin badge

Suitable for:	Years 9, 10 and 12
No. of members	Maximum of 5
When	Wednesdays from 16:00 – 17:00
Where:	In room 1.30
Equipment:	Equipment will be provided
Cost:	This society is free
Staff Lead:	William Plange-Rhule – Curriculum Lead Technical

Society Name:	Computer Science Club	Type of Society	Academic	
			Skills & Knowledge.	x
			Wellbeing	
				
<p>Description about what the society does: Additional help for learners who struggle to understand certain concepts within Computer Science lessons.</p>				
<p>Details of suggested trips:</p>				
<p>Key Concepts</p> <ul style="list-style-type: none"> ○ Computational thinking ○ Data analysis ○ Computational methods ○ Computational solutions ○ Computational ethics ○ Networks 		<p>Skills and knowledge gained</p> <ul style="list-style-type: none"> ○ Independent learning ○ Collaboration 		
<p>Society identity:</p>				
Suitable for:	All learners			
No. of members	Maximum of 10			
When	Wednesdays from 15:00- 16:00			
Where:	In Room 1.02			
Equipment:	Equipment will be provided			
Cost:	This society is free			
Staff Lead:	Uzma Afzal – Computing Teacher			

Society Name: Advance Wood Working	Type	Academic	
	of	Skills and knowledge	x
	Society	Wellbeing	

Description about what the society does:

This is a great hands-on society where members will learn how to design and create products made of wood. Wood working for many is a hobby that develops one's problem solving skills and allows for the realisation of creative thinking in its physical form. We will take our inspiration from ancient design concepts that include the golden ratio and the magic Fi number.

Members will come away with the satisfaction of having made high quality products that will become heir looms from generation to generation.

Details of suggested trips:

- wood Veneer's factory
- Victoria and Albert Museum
- Design Museum

Key Concepts

- Design
- Material
- Tools
- Quality assurance

Skills and knowledge gained

- Designing for need, how to satisfy your customer and understanding Form over Function
