

13th July 2020

Dear Parent / Carer

Please find attached the first version of the plan and risk assessment for the FULL re-opening in September 2020, ready for staff, learners and parents/carers to read through and provide feedback. This version of the plan will go to our Directors on Thursday for approval and then be updated during the first 2 weeks of August once we have received your feedback.

It is important that you understand the plan and convey any concerns you have with it as soon as possible in order to allow us the chance to respond to your comments and update it in time for a September start. We would like your feedback by the 1st of August via the link within the plan. The plan is 26 pages long and the risk assessment is 35 pages long, so please do leave yourself time to read through these important documents.

The final plan will be released in early August, highlighting any changes that have been raised by our stakeholders or any updated guidance from the Government.

Thank you for your support and contributions.

Keep safe

Geoffrey Fowler
Principal & CEO, LDE UTC
