

2nd October 2025

Dear Learner/Parent/Carer,

RE: Late Start – Wednesday 8th October 2025

As you may be aware, we have our first Open Evening of this academic year taking place on Tuesday 7th October 2025 from 18:00pm – 20:00pm. Due to the late finish, and in order to support our learner and staff wellbeing, the college will have a late start the day following each Open Evening event.

Learners in all year groups should arrive in college on **Wednesday 8th October at 10:30am**. Learners will be registered for the day with their subject teachers. Our next Open Evening takes place on Tuesday 25th November 2025, and the late start will operate the following day again. We will send a reminder nearer the time.

Thank you for your support and understanding.

Yours sincerely,

Gloria Gold
Deputy Head – Pastoral
