1. Policy Aims

London Design and Engineering UTC offers high quality advice and guidance through its careers programme that prepares all its learners for further study and / or employment. Independent information and guidance are seen as being key alongside a range of opportunities. The College prides itself in the partnership work it carries out with learners / parents / industry partners to support learners with their future aspirations which is evidenced by the range of destinations they move into within a wide range of universities and employers.

Aims and Purpose

- Prepare learners for the transition post 16 and post 18 into the world of higher / further education or the world of work.
- Ensure learners and parents / carers are equipped with the information required to make informed decisions.
- Provide learners with a range of opportunities to develop the skills employers are looking for to support their next steps e.g. communication, teamwork, innovation, problem solving and resilience.
- Provide learners with a range of opportunities to participate to develop practical and technical skills required within industry and the workplace.

2. Statutory Requirements and Recommendations

The careers provision at London Design and Engineering UTC is in line with the statutory guidance developed by the Department for Education, which refers to Section 42A and 45A of the Education Act 1997. This states that all schools/colleges should provide independent careers guidance from Years 8 -13 and that this guidance should:

- be impartial
- include information on a range of pathways, including university options or apprenticeships and the wider school leaver programme including FE / Technical /Training programmes and routes
- be available to all learners and be appropriate for each individual's needs

In addition, the College is compliant with the careers guidance that the government set out for delivery from July 2021: '*Careers Guidance and Inspiration for young people in schools.*' This states that all academies must give education and training providers the opportunity to talk to their learners about:

- Approved technical qualifications and apprenticeships. Further information relating to this is set out later in this document, under Provider Access.
- Ensuring that our young people have a good understanding about career choices and the progression routes required.
- Ensuring that our learners are aware of the opportunities available within non-stereotypical roles by ensuring they meet with a wide variety of employees within different sectors.
- Understanding how the content of curriculum subjects lends itself within different careers.

Our careers programme also complies with the College's legal obligations under Section 42B of the Education Act 1997 and the updated statutory guidance for Provider Access legislation (PAL) for schools and colleges, updated 5th January 2023. [Careers guidance and access for education and training providers - GOV.UK \(www.gov.uk\)](#).

10. Alumni

We celebrate the destinations of LDE leavers and use their success as a platform to raise aspirations via display boards, alumni visits and the sharing of relevant information on our website.

11. Monitoring and Evaluation

All activities will be evaluated by the member of staff responsible for the event by surveys, focus groups and feedback from learner voice and employers/organisations. The Careers Lead will work alongside the independent careers advisor, Careers and Enterprise co-ordinator and advisors to evaluate the impact of events and activities undertaken at LDE UTC and for review of the careers programme.

Compass+ is used, which is a programme developed by the Careers and Enterprise Company to capture careers delivery across the College and covers small group activities to whole College events. This programme will be used to evaluate and review what has been delivered against benchmarks. From this we will identify and adjust the careers programme for each year group and the College, to ensure it is meeting the 8 Gatsby Benchmarks or working towards 100% for each of them.

12. Destinations

Data will be collected at the end of the academic year for Years 11, 12 and 13 leavers. This information is collected for the Baker Dearing Trust and Local Authority, and is used as a focus for our annual careers programme review to ensure new sectors are included in our engagement opportunities. Alumni destinations are displayed on our website and on the display board on the first floor.
