

29<sup>th</sup> April 2022

Dear Learner, Parent and Carer,

Please find below a copy of the Summer 2022 exam timetable. In addition to this overall timetable, next week you will receive an individual timetable that will give you room and seat information for all of your exams, along with a letter detailing how study leave will be operating this year.

In order to ensure a successful exam season for all candidates could I please draw your attention to the following,

- The times on the timetable are the start of the exam **NOT** when candidates should be arriving to school – they should be in school at normal times.
- Learners are expected to be at their exam rooms at least 15 mins before the published start time.
- Learners should ensure that they eat before exams both morning and afternoon so that they are well prepared.
- Mobile phones, and any other web enabled devices are **NOT** permitted in exam rooms. These must be left in lockers
- Watches of any kind, either smart or analogue are not **NOT** permitted in exam rooms. These must be left in lockers.
- Learners must ensure that they have the correct equipment for the exams including calculators.
- All equipment must be carried in a clear container.
- No materials may be taken into the exam unless specifically authorised. This includes any material that may be in your pockets.
- All drinks bottles must have labels removed.
- The JCQ Rules & Regulations relating to all exams are on the school Digisector Padlet, and learners are reminded that they must read these annually – a summary copy of which is attached.

In the event that you are unwell or late on the day of an exam, please ring reception immediately to ensure that a message is communicated to the exam room and any relevant information can be given especially in the event of late arrival, which may be necessary to ensure the compliance of an exam.

If you are late to an exam, please ensure that you take the time on arrival to compose yourself before entering the exam room, this will help you achieve better in the exam. You will be given the missed time where possible at the end of the exam time

If you are unfortunate enough to have a specific illness or situation that means you cannot attend the exam, you must inform the college immediately and obtain evidence where possible, i.e. a doctor's note as the college may be able to make a Special Consideration application on your behalf.

If you have any queries or concerns, please come and see the exams team, along with a copy of your exam timetable.

Kind regards

Mark Watson – Examinations Officer
