

Dear Parents/Careers,

Re: Year 11 Revision Session Invitation

I hope this message finds you well. As we approach the critical phase of Year 11, we are committed to ensuring that every learner is fully prepared for their upcoming exams. To support this effort, we are hosting an important **Revision Information Session** at **London Design Engineering UTC**, and we strongly encourage both parents and learners to attend.

Details of the Session:

Date: Thursday 25th September 2025

Time: 6:00pm – 6:45pm

Location: London Design Engineering UTC

The session will cover:

- Strategies to maximise revision effectiveness.
- Insights into the support resources available at school and online.
- Tips for maintaining a healthy balance between study and well-being.
- Opportunities for parents and learners to ask questions and clarify concerns.

This is a valuable opportunity for parents to understand how to best support their children during this crucial period and for learners to gain a clearer picture of how to structure their revision effectively.

Special Note: at 6:45pm. We will have another 20 minutes session from Apprenticeship, Information and Meaningful Encounter programme (AIM) delivering on Apprenticeships and post-16.

Action Required:

To help us organise staffing and rooming, please take a moment to complete this very short attendance form (less than 20 seconds to complete):

<https://forms.office.com/e/z7yk0aQhRC>

We firmly believe that a collaborative effort between home and school is essential for learner success, and your participation in this session will be instrumental in helping your child achieve their best results.

Thank you for your continued support, and we look forward to seeing you and your child at the session.

Many thanks,

Kenan Drugzani
