

26th January 2022

Dear Learners, Parents/ Carers, staff and Directors

Face coverings in communal areas

Further to my letter on 20th January 2022, I'm writing to confirm that, as per the Prime Minister's announcement last week, the government's final remaining COVID Plan B measures will be removed in England from tomorrow. This means there will no longer be a legal requirement to wear a face covering at college.

The government suggests that you continue to wear a face covering in crowded and enclosed spaces where you may come into contact with other people you do not normally meet.

Given the current high COVID case numbers nationally, LDE UTC encourages everyone to continue to wear a face covering while at college, however this will no longer be mandated.

Please be aware that face coverings will still be required by Transport for London on their public transport network.

Many thanks for your continued support and co-operation during these challenging times.

Yours sincerely,

Geoffrey Fowler
CEO & Principal
